1. I am giving you me the shape and fashion of no other. I am me/creative and I am creating me the like of never having been seen thus far like me. I love you. Loving you, I love you more each time I write/you, write my our words. Is that possible? Seeing me I see you seeing me.

2. I love us one'ing the continents, not; but many, as platelets shift and plates move; and monitor not the dead, the living; into complacency not but living-itus, not; living abundance. Who can see?

3. Plan B, not. I come, I call. I conquer not; surrender intently, all so for a purpose, not; love. I love you, us, one. Be me I am I Am. One rose, not; multi-petal'd forever. One rose, not; I am the rose maker revealer. I love you. I Am.

4. Enjoy me tonight, not tomorrow; not. Enjoy me tomorrow not; tonight; not. Enjoy me both yes amen and every night, day, and are we ever not one/I Am again? I love you.
